 - See attached progress update
 - O See attached for details & complete look ahead schedule

Visit the Sharon HS Building website for more project information: https://www.shsbuilding.com/

Sharon High School: Upcoming Closure of Track & Football Field

Notice Date: April 5, 2021

Sharon High School Community:

In the coming weeks Consigli Construction will be moving to their next phase of construction which includes beginning work at the Sharon High School track & football field. This work will require that these areas are closed to public use/access. The phased closing of this area is as detailed below:

- April 26th Erosion Control will be installed (no impact to field use)
- <u>May 3rd</u> We will begin temp fencing surrounding the perimeter of the existing fencing (no impact to field use. Once the fencing is installed there will only be field access from the Ames Court side of the site)
- May 17th Site work will start, track and field will be off limits to all staff/ student/ public, gates will be locked

The project team would also like to take the opportunity to thank you for your continued support throughout this project.

For the latest on Sharon High School construction please visit the project's website at https://www.shsbuilding.com/

Best Regards,

Matthew Gulino
