

# The Sharon High School Construction Project

## 4 Week Look Ahead Schedule 05/03/2021

- **Upcoming Activities Include:**

- Concrete foundations are substantially complete
- Structural steel erection, decking, detailing & associated deliveries are ongoing
- Placement of our first concrete slab is scheduled to occur in the next two weeks. Preparation of concrete slabs will continue to follow steel erection
- Roofing and associated prep activities are scheduled to begin during this period
- Underground plumbing work is ongoing
- Construction at the track and football field is beginning on 4/26- see enclosed notice for details
- See attached progress update
- See attached for details & complete look ahead schedule

## **Sharon High School: Upcoming Closure of Track & Football Field**

Notice Date: April 5, 2021

Sharon High School Community:

In the coming weeks Consigli Construction will be moving to their next phase of construction which includes beginning work at the Sharon High School track & football field. This work will require that these areas are closed to public use/access. The phased closing of this area is as detailed below:

- **April 26<sup>th</sup>** – Erosion Control will be installed (no impact to field use)
- **May 3<sup>rd</sup>** – We will begin temp fencing surrounding the perimeter of the existing fencing (no impact to field use. Once the fencing is installed there will only be field access from the Ames Court side of the site)
- **May 17<sup>th</sup>** – Site work will start, track and field will be off limits to all staff/ student/ public, gates will be locked

The project team would also like to take the opportunity to thank you for your continued support throughout this project.

For the latest on Sharon High School construction please visit the project's website at <https://www.shsbuilding.com/>

Best Regards,

*Matthew Gulino*
