

# The Sharon High School Construction Project

## 4 Week Look Ahead Schedule 05/24/2021

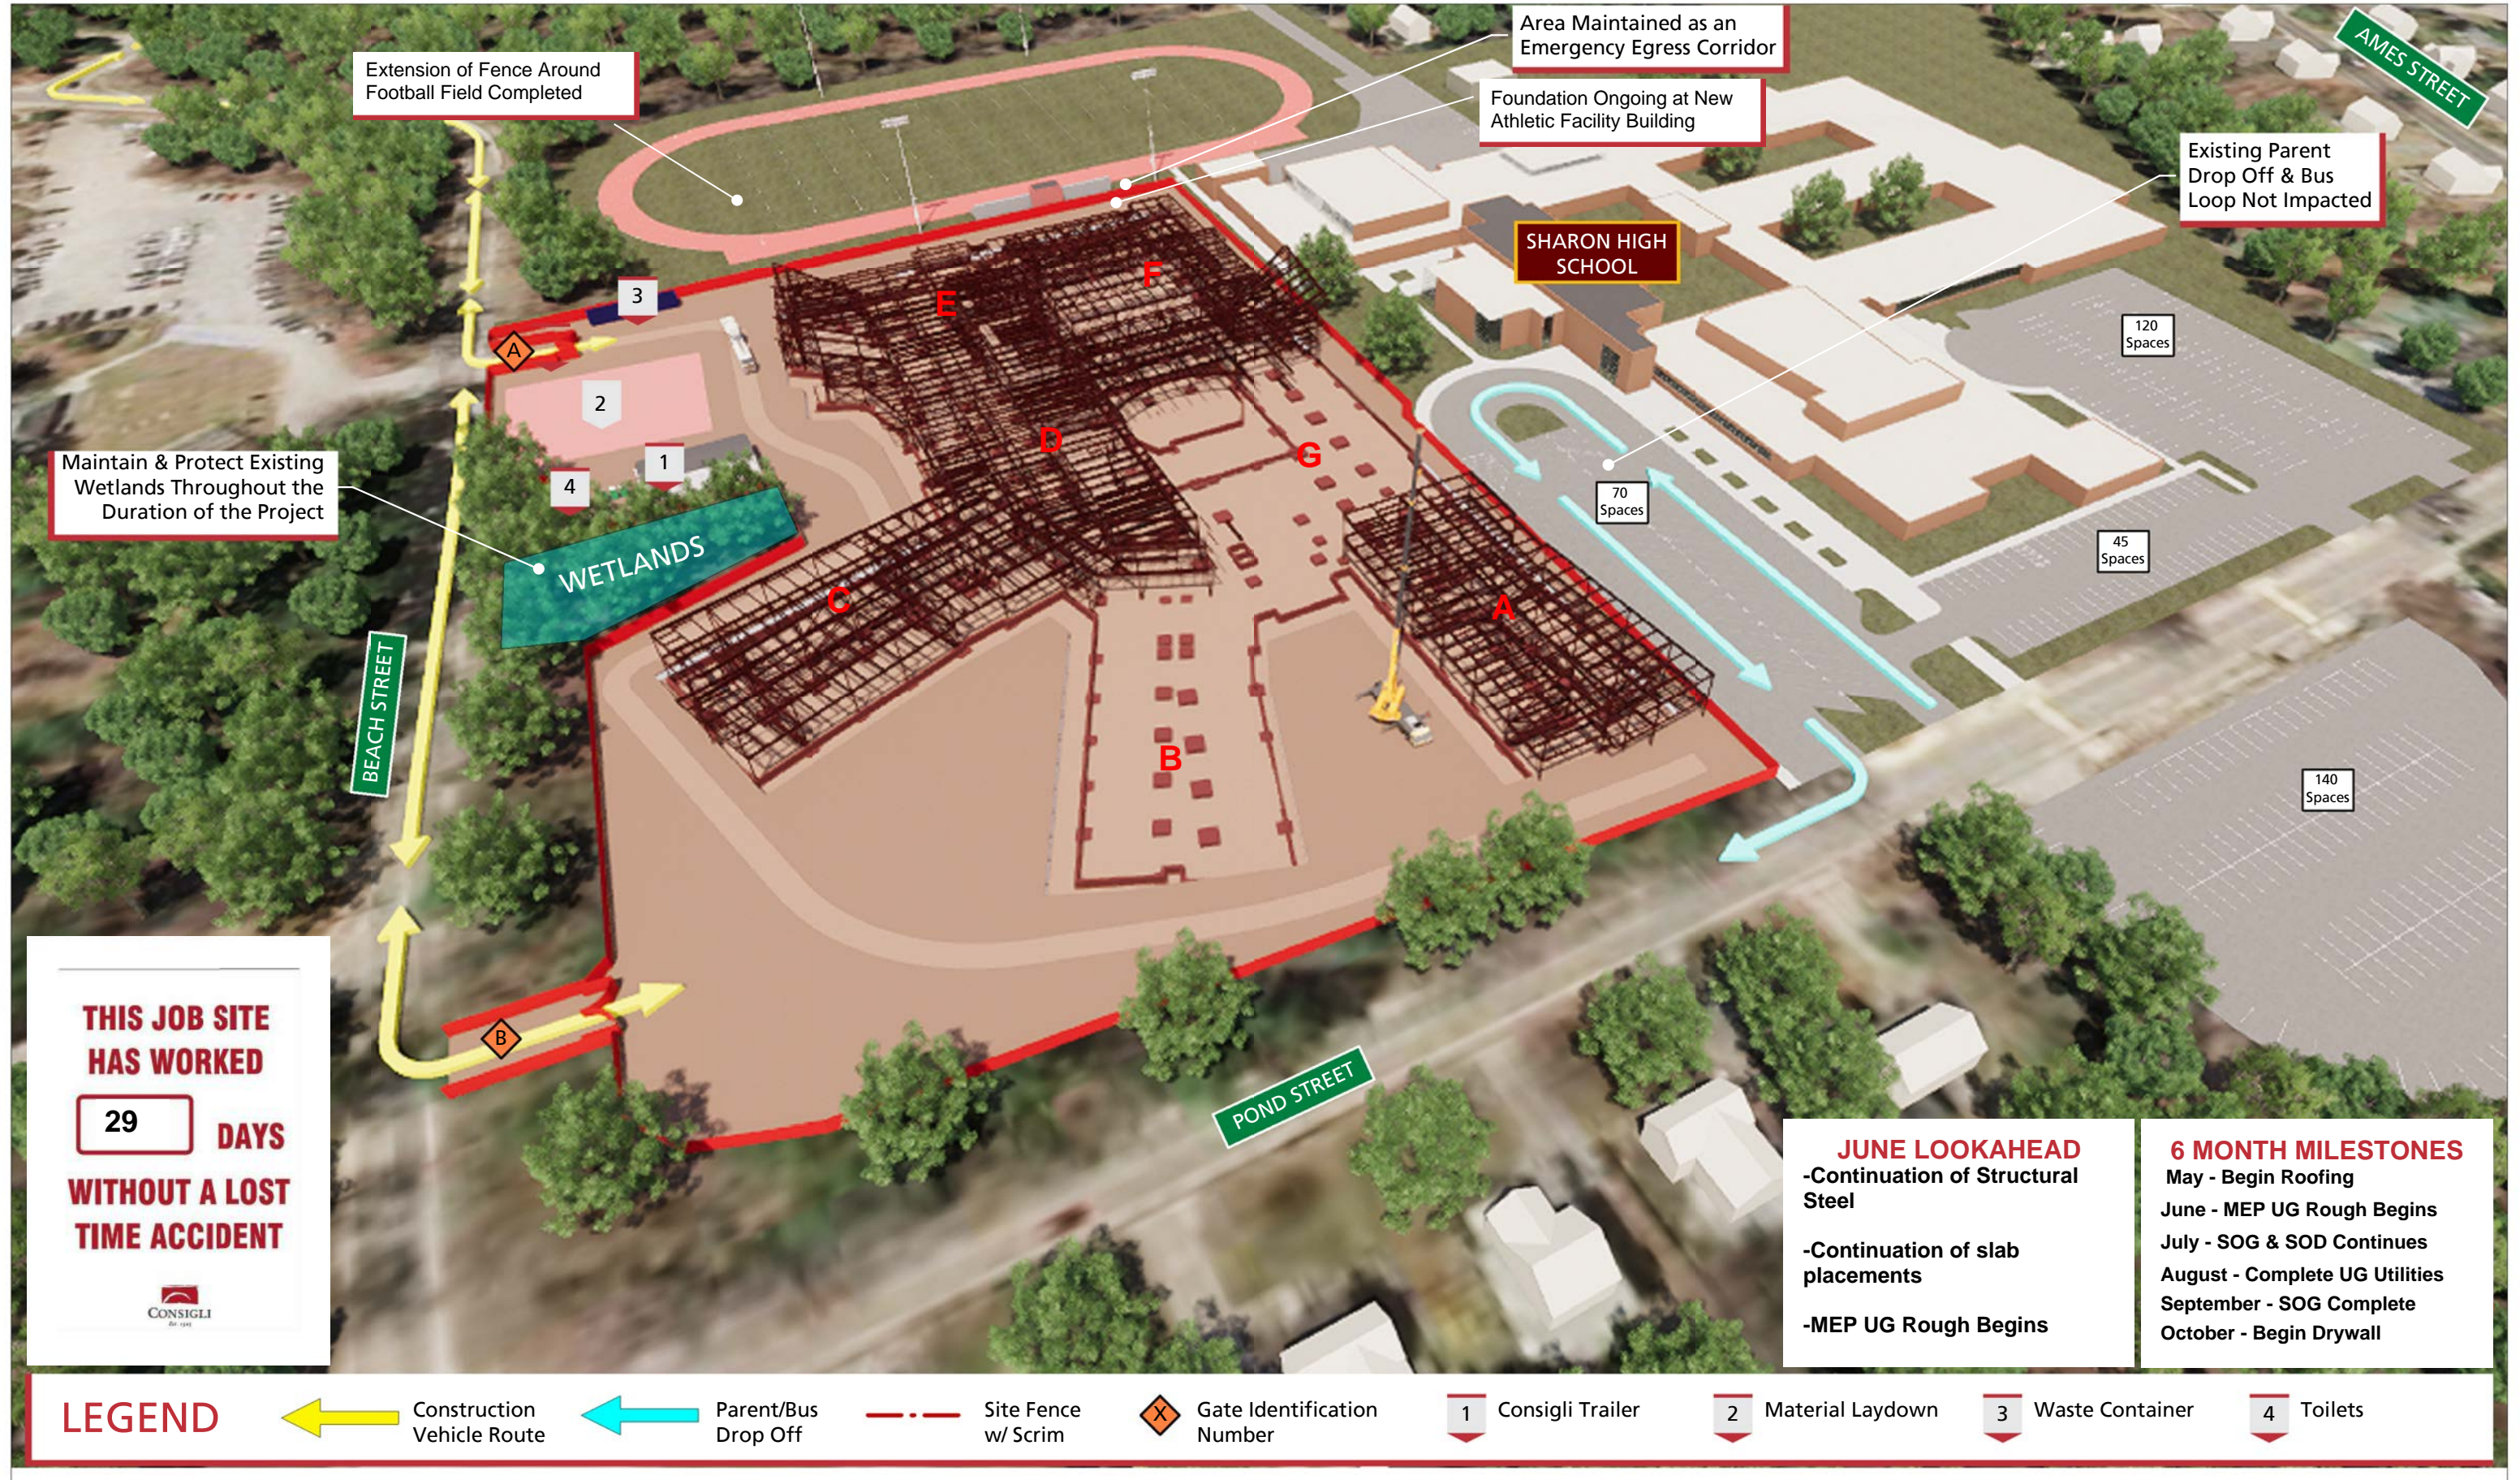

- **Upcoming Activities Include:**

- Structural steel erection, decking, detailing & associated deliveries are ongoing
- Placement of our first concrete slab is scheduled for this week. Preparation & placement of concrete slabs will continue to follow steel erection. Once placed, slabs will enable MEP trades to begin rough in.
- Roofing and associated prep activities have started
- Underground plumbing & electrical work is ongoing
- Fireproofing is scheduled to begin once slabs are placed
- See attached progress update
- See attached for details & complete look ahead schedule

Visit the Sharon HS Building website for more project information:
