The Sharon High School **Construction Project**

4 Week Look Ahead Schedule 07-05-21

- Structural steel erection, decking & detailing are ongoing. Steel erection is nearing completion targeting mid-July.
- Roof installation is ongoing.
- Concrete slab placement is ongoing. Preparation & placement of concrete slabs will continue to follow steel erection. Please note the next slab on grade- which may include after hours work -is tentatively scheduled for 7/15 (notice attached).
- Overhead MEP rough-in as well as light gauge metal framing has begun.
- Masonry installation- including shafts and CMU back-up walls are ongoing.
- Underground plumbing & electrical work is ongoing.
- Work at the athletic facility is ongoing- including masonry beginning next week.
- Work at the athletic field has started.
- See enclosed invitation to our Topping Off Ceremony- scheduled for 7/15.
- See attached progress update.
- See attached for details & complete look ahead schedule.

Sharon High School: Notice of Potential After-Hours Work

Notice Date: June 17, 2021

Sharon High School Community:

The Sharon High School project will be placing concrete slabs on grade this summer. These slabs require cutting of concrete control joints as soon as the concrete is properly cured. This can be an unpredictable timeframe and may require after hours construction.

The work utilizes a small localized crew but will require a concrete saw and supplemental lighting. This process will take place approximately 7 times over the coming months. The first such placement will occur today 6/17/21 & we will continue to update the community of this potential after hours work within our 4 week look ahead schedule.

Thank you for your continued cooperation & support throughout this project.

For the latest on Sharon High School construction please visit the project's website at https://www.shsbuilding.com/

Best Regards,

Matthew Gulino

Matthew Gulino Associate | Owner's Project Manager PMA Consultants mgulino@pmaconsultants.com

Topping Off Ceremony Invitation

Dear Sharon Community,

The Sharon High School construction team would like to invite you to join us on Thursday, July 15th for our structural steel topping off ceremony where we will celebrate a major construction milestone.

From 8:30 AM to 9:00 AM you are invited to stop by & sign our final piece of structural steel. The signing will be followed by a ceremony beginning promptly at 9:00 AM where the steel beam will be hoisted into place.

The beam signing & ceremony will take place at the Sharon High School bus loop - logistics are detailed on the attached map.

As always thank you for your continued support & cooperation. We look forward to seeing you then.

-The Sharon High School Project Team
