

Sharon High School: Notice of Ongoing Winter Heating

Notice Date: December 1, 2021

Sharon High School Abutters & Community:

The Sharon High School project will be utilizing several large construction heaters to support interior construction this winter. To ensure required climate is maintained heaters may function 24/7 including nights and weekends. There are 5 heaters located around the perimeter of the New High School. The heaters do emit a small orange glow from the internal flame. There is a continuous fan that is powered electrically. Consigli Construction has coordinated required provisions and permits with the Sharon Fire Department.

Heaters will be started up on Wednesday, December 1, and operate throughout the winter.

Thank you for your continued cooperation & support throughout this project.
