

The Sharon High School Construction Project

NOTICE TO ABUTTERS: February Tree Clearing

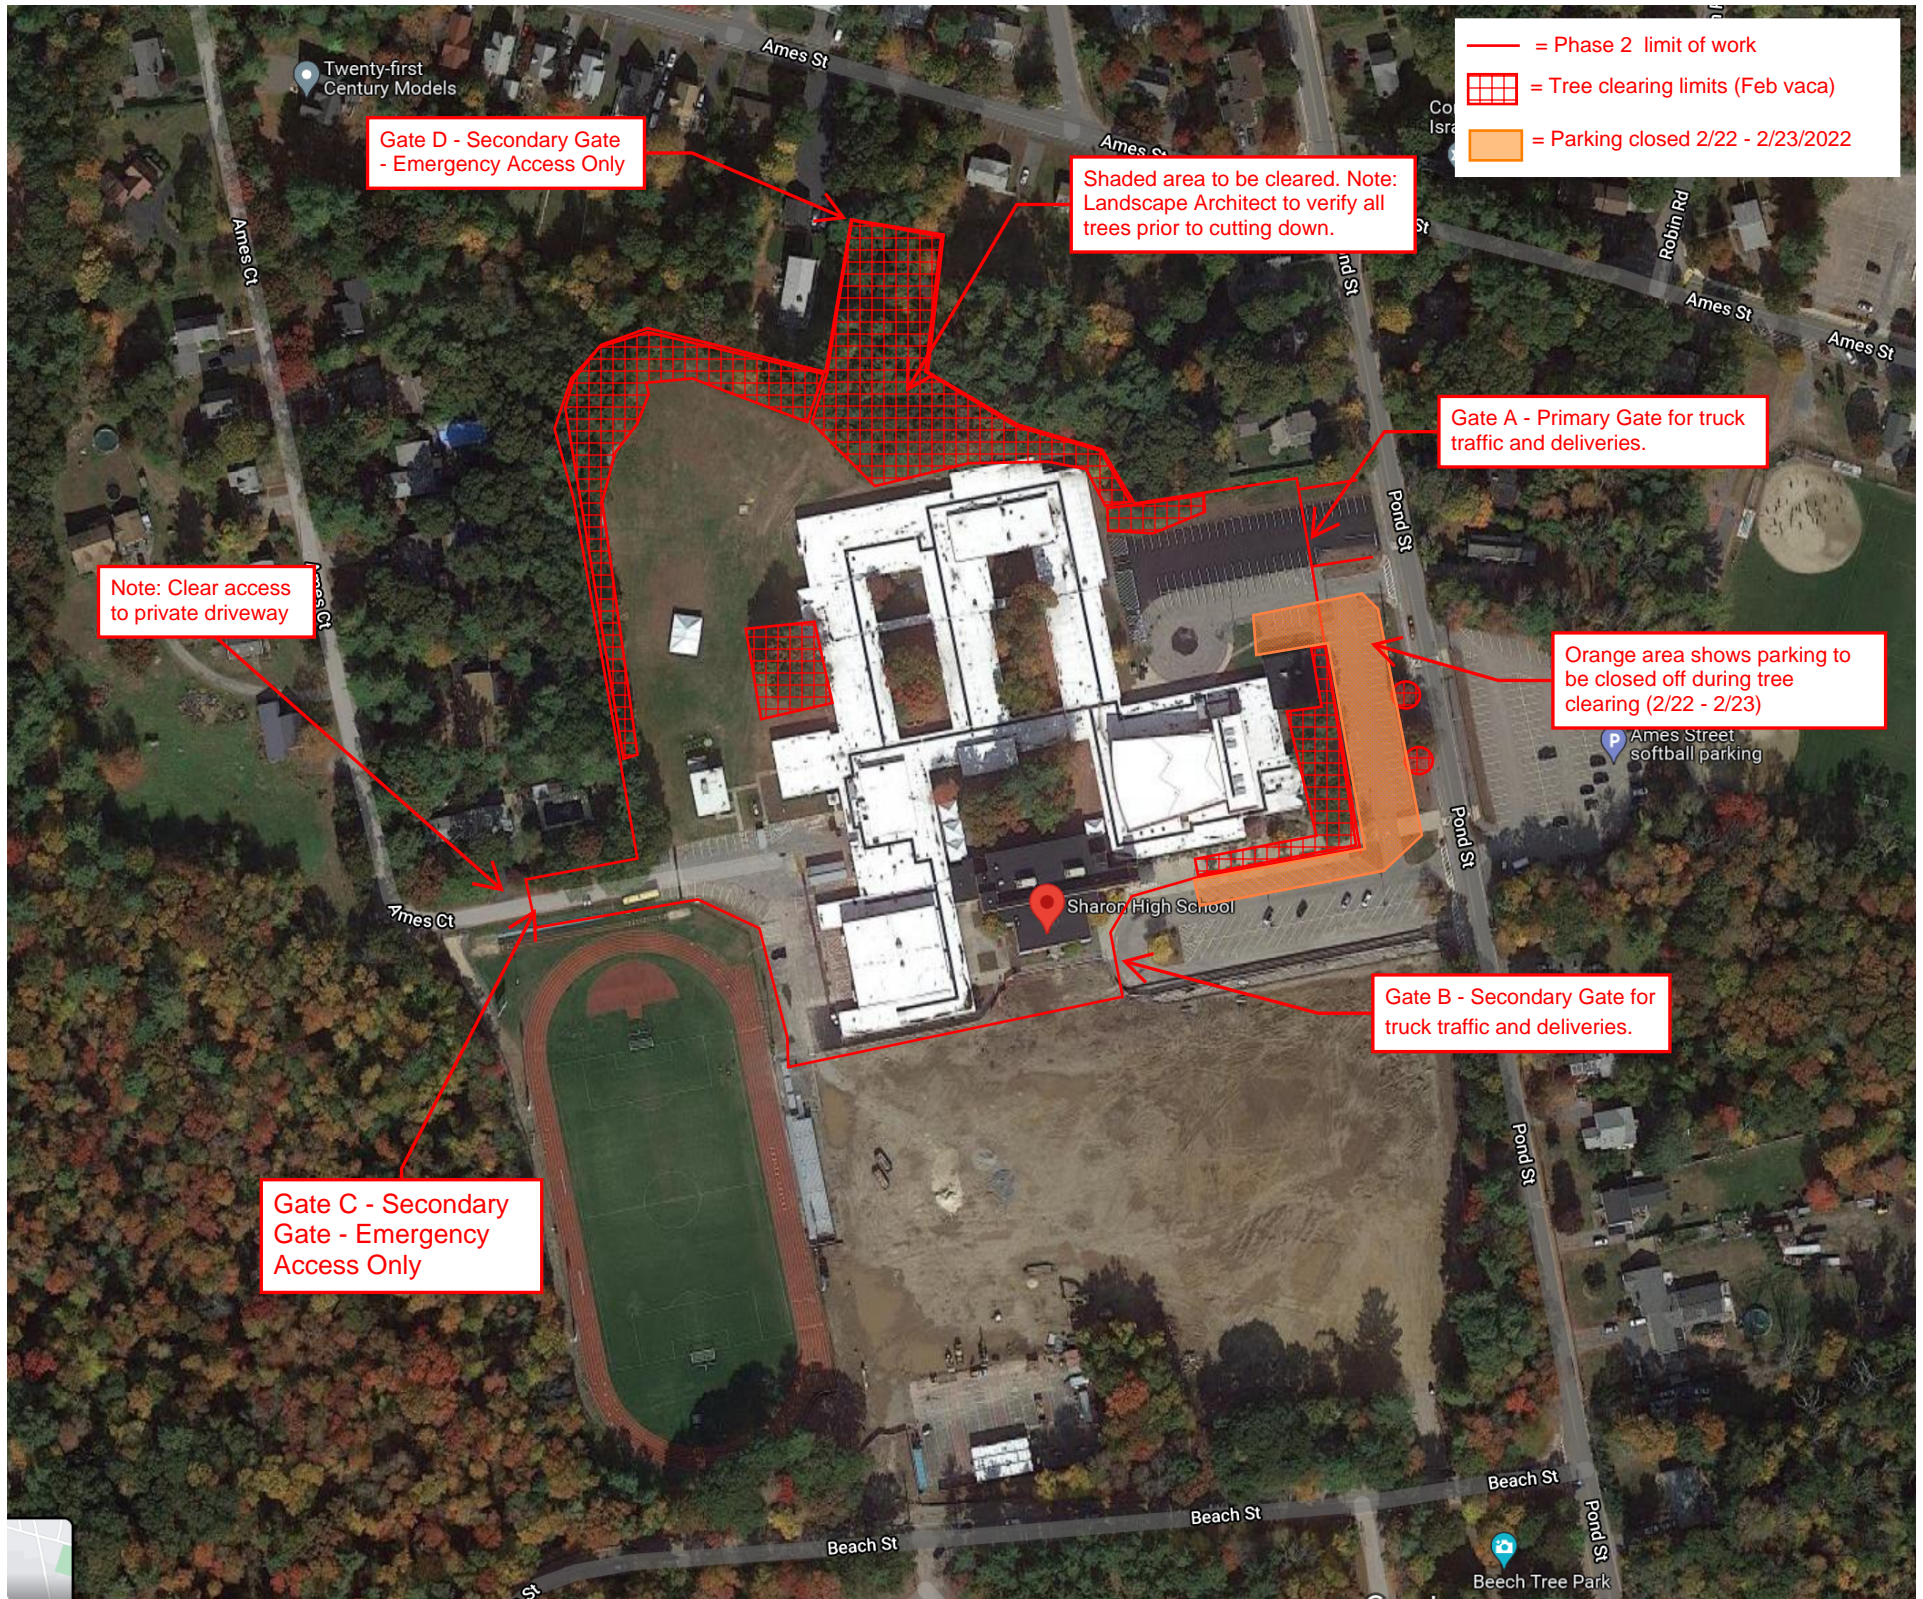

2/21-2/25

The Sharon High School project will be completing some limited tree clearing around the perimeter of the project during the school February break. Abutters may see and hear the tree clearing process between February 21, 2022 and February 25, 2022. On page 2 you will find a diagram showing where tree clearing will occur.
